

Method Statement for Ballnado Grabber

This method statement is in three phases – Before event – Operation and Conclusion.

Before the event:

1. Fun Pro UK employee to ensure out first works on the vehicle as per the drivers weekly time sheet.
2. Check that the Ballnado Grabber is serviceable, and clean.
3. Familiarise self with Risk Assessment.
4. Ensure PPE and lifting equipment safety equipment is present, serviceable and used as per manufacturers instructors. Fun Pro UK employee will be wearing branded uniform with the company logo for the duration of the hire period whilst on site.
5. Fun Pro UK will ensure employees understand their roles and responsibilities.
6. Fun Pro UK will ensure employees are briefed accordingly with details specific to venue, including site H&S procedures and any need for site inductions, time parameters for ingress and egress. Fun Pro UK liaise with client on-site contacts for specific details.
7. Client to provide Fun Pro UK with a point of contact for the client that employee can liaise directly with during the duration of the contracted hire agreement.
8. Client, in order to allow Fun Pro UK to identify a safe access to site are to inform Fun Pro UK of site-specific ingress/egress restrictions, including lift use/height & width restrictions/stairs/ramps/access passes. A 13 amp socket within 5 metres of where the game will be is required.
9. Client to confirm ahead of arrival that appropriate location has been identified to position the Ballnado Grabber . The Ballnado Grabber is to be operated indoor on level ground for optimum performance of the Ballnado Grabber . Ballnado Grabber size is 1m Width x 1.7m Depth x 2m height. Minimum door width is 0.6m.
10. The Ballnado Grabber can not be carried up or down a flight of stairs. Lift requirement is 1.3 x 1.3 x 1.3m.
11. Employee to inform client of any delays on the time parameters once known, and once on site to inform client and follow direction provided by client.
12. Employee to sign in with site and follow procedures. Site may require form of ID and take photograph. Any ID issued is to be displayed/worn as directed.
13. Employee to follow any traffic marshal directions, ensure vehicle is left in safe place and safe environment before any manoeuvres are undertaken, utilising reversing camera (where fitted) / hazard warning lights/co-driver or traffic marshals. Once vehicle is unloaded, vehicle to be parked up as per the site directions.
14. Employee to know height of vehicle and any height restrictions in place on site.
15. On arrival employee to liaise with client to confirm location for Ballnado Grabber being set up and ensure suitable for the Ballnado Grabber .
16. Employee to use manual handling techniques and appropriate PPE when removing the Ballnado Grabber from the vehicle.
17. Whilst employees are setting up Ballnado Grabber they are to be afforded a safe working environment free of any footfall, to minimise any potential injuries/H&S issues/damage.
18. Once Ballnado Grabber is built, employee to inspect the Ballnado Grabber in situ, and then operate the Ballnado Grabber to ensure fully operational and conduct a demonstration with the client and brief accordingly on the safe use of the Ballnado Grabber . Client to confirm with employee they understand the safe operation and are confident to operate the Ballnado Grabber .
19. All paraphernalia associate with the Ballnado Grabber build/carry/PPE to be removed from site and returned to the vehicle, or alternative storage area mutually agreed by Fun Pro UK and client.

Employee to inform Fun Pro UK of exact storage location and contact who will be able give access on collection.

20. Employee to familiarise themselves with emergency exits, welfare facilities, first aid kits, site specific safety procedures etc.

Operation:

1. The client is to adhere to the Hire Agreement and Rules of Play
2. During operation of the Ballnado Grabber , whether that be a designated operator specified by the client or Fun Pro UK employee will ensure the Rule of Play is adhered to, this included footwear to be removed, etc
3. Nothing is to be leant against the Ballnado Grabber .
4. Maximum user of Ballnado Grabber is 1.
5. The equipment must be used as directed by the Fun Pro UK employee during the demonstration, this being the manufacturer's guidelines.
6. An operating area for users is a space of 1.8m x 1.8m x 1.8m.
7. As per the clients instructions, either clients designated operator(s) or Fun Pro UK employee to manage the Ballnado Grabber at all times to ensure safe operation of the Ballnado Grabber , if the designated person / employee deems unsafe use or risk of harm to user or others, they have the responsibility to stop play of the Ballnado Grabber . Ballnado Grabber requires hand/eye co-ordination, if it is the designated operators opinion that a user is under the influence of alcohol / drugs and potential to present a risk to themselves or any other person, or damage equipment the client will have authority to stop the Ballnado Grabber game until the risk is removed.

Conclusion:

1. The client will confirm with Fun Pro UK employee when egress can commence, and within the user agreement parameters.
2. Fun Pro UK employee to check Ballnado Grabber for any damage, any damage identified to be highlighted to the client and photographed/recorded prior to leaving site. Ballnado Grabber box marked up accordingly as damaged, and Fun Pro UK admin team to be informed asap. Ballnado Grabber to be cleaned prior to dismantling.
3. Fun Pro UK employee to ensure safe working environment to dismantle Ballnado Grabber . Appropriate PPE and use of manual handling procedures to be used.
4. Fun Pro UK employee to return Ballnado Grabber and any associated paraphernalia to vehicle in a safe manner and as per site specific processes and procedures.
5. Fun Pro UK to ensure that the operating area is clear, with no Fun Pro UK equipment left in situ.
6. Fun Pro UK employee will acknowledge client prior to leaving site.
7. Fun Pro UK employee to report any damage/near misses/injuries at conclusion of working shift.

NB

No PPE is needed by participants whilst playing Ballnado Grabber .

No age – weight – height restrictions in place for the Ballnado Grabber .

No restrictions on clothing or other items worn by players whilst playing Ballnado Grabber, albeit loose clothing can reduce the air flow for the balls/money to circulate.
